Aaron's Opens First Suffolk Location

SUFFOLK, Virginia (November 15, 2012) Lease-to-own retailer Aaron's, Inc. is opening the doors of its Suffolk location at 571 East Constance Road, in the Towne Square Shopping Center. To celebrate, they are hosting a Grand Opening/Ribbon Cutting ceremony on November 16, 2012 at 10 a.m. Mayor Linda T. Johnson will be on hand for the event, which is open to the public.

Aaron's offers brand-name merchandise, including furniture, electronics and appliances. The lease-to-own purchase selections give patrons the opportunity to enjoy products by using a monthly payment program. They have the option to eventually own the product or return the item at a later date.

"We support Aaron's commitment to helping residents achieve ownership of these important household items," said Mayor Linda T. Johnson. "We are pleased Aaron's has chosen Suffolk for their newest retail location".

Aaron's operates more than 2,000 company-operated and franchised stores in 48 states and Canada. Founded in 1955, they have been publicly traded since 1982.

The 6,400 square-foot Suffolk store will employ eight associates. Store hours are Monday – Thursday, 10 a.m. – 7 p.m., Friday to 8 p.m. and Saturday to 5 p.m.
